# Think

what this means to YOU

Columbia Transfer Depots receiving freight only half the time.

Missouri Pacific Depots shut down for the last three days.

Frisco Railroad not receiving today.

Other railroads unable to receive freight about two days a week.

Express company cannot handle the business they are receiving.

The reason for the above is the railroads have only half the cars they need.

Don't be the man to wish you had ordered in time.

If you need any seeds this Spring order today.

Price on Farmogerm Inoculation, 1 acre, retail price \$2.00, trade price \$1.65

5 acre, retail price \$8.00, trade price \$6.50.
